

“Peer’s Outstanding Work Empowering Recovery”

Nomination Form

This award was initiated by the Mental Health Rights Coalition in 2011. MHRC is proud of the work done by peers in the mental health system and believes their efforts are often lacking reward.

The “POWER” Award is offered to a certified peer support worker who has shown outstanding ability and compassion in their formal role as peer supporter with consumers of mental health and addiction in a consumer organization, agency or business within the City of Hamilton and surrounding area. This award is only available for front line staff who have graduated from a recognized peer support training program. It excludes management.
